

Magnetic double tape

for easy mounting and positioning of LED strips

	62389300
Description	magnetic double tape for easy mounting and positioning of LED stripes
Range of temperature	-20° C ~ +50 ° C
Length	1000 mm
Width	10 mm
Height	1 mm
Weight	77,0 gr
Remarks	Remanence: 1600 - 1900 G Max. energy product: 0.65 - 0.75 MGOe Coercivity: 1200 - 1500 Oe Intrinsic Coercivity: 2200 - 2500 Oe Specific Gravity: 3,7 - 3,8 g/cm ³ Bending radius: 12mm (at 20°C) The magnetic strip has a UV hardened coating on the magnetic side.
